Snowplow Policy

In the event of personal property is damaged during snow removal activities, the Town of Vance Creek will repair the personal property only if it was actually hit by Town of Vance Creek equipment. If the snow coming off the plow or wing does the damage, there will be no repair by the Town of Vance Creek. The Maintenance Worker and/or a member of the town board for the Town of Vance Creek that reviews the damaged property will make the determination as to whether the damage was caused by the Town of Vance Creek equipment or by the snow. Their decision is final. Any repairs done by the Town of Vance Creek will be of equal value to the previous state of personal property before damage. No other allowance will be made for renovations or improvements.

This policy will go in effect immediately after approval by the Town of Vance Creek board.

Duly and Officially adopted by the township on 8th day of October 2024.
